

Safety Checklist – Can-Am® SSV

It is important that you read and understand these elements before using a Can-Am® Side-by-Side Vehicle. Please initial each item to indicate that you have read, understand, and agree to follow these safety requirements (Driver and/or Passenger).

- _____ All riders must wear an approved helmet, eye protection and appropriate protective clothing.
- _____ The driver is responsible for the safe operation of the vehicle and for all passengers' safety.
- _____ Seat belts must be worn and doors/nets secured at all times while the vehicle is in operation. Keep all body parts inside the vehicle at all times.
- _____ Passengers must be able to sit upright with back against the seat, feet flat on the floor, and hands on handholds.
- _____ Operate only on designated trails and approved riding areas. Do not operate on unauthorized roads or private property.
- _____ I understand the controls and operation of the vehicle, including throttle, braking, and any drive modes.
- _____ Always operate at a safe speed for conditions. Terrain, weather, visibility, and experience level must be considered.
- _____ Read and follow the warning labels on the vehicle.
- _____ Maintain a safe following distance from other vehicles and be prepared to stop at all times.
- _____ Avoid sudden acceleration, braking, and sharp turns. Aggressive driving increases the risk of rollover and loss of control.
- _____ Slow down before turning. Do not turn sharply at high speeds or apply heavy throttle during turns. Trails may contain blind corners and unexpected hazards.
- _____ Use extreme caution on hills, slopes, and uneven terrain. Avoid side-hilling and steep inclines whenever possible.
- _____ Do not drive through deep water, unknown terrain, or mud that could cause loss of control or vehicle damage.
- _____ Allow increased stopping distance on loose surfaces such as gravel, sand, or mud.
- _____ No alcohol or drugs before or during operation (applies to drivers and passengers).
- _____ Avoid operating at night or in low visibility conditions unless properly equipped and experienced.
- _____ No reckless driving, racing, stunts, or towing.
- _____ Do not exceed the vehicle's passenger capacity. All occupants must meet size and physical requirements to safely ride.
- _____ In the event of a breakdown or non-emergency issue, I will stop and follow provided contact instructions.
- _____ In case of emergency, call 911 first, then contact the rental provider.
- _____ The staff at Lossing's Power Sports has answered any questions I had about the safe operation of the Side by Side.

I HAVE READ, UNDERSTAND, AND AGREE TO FOLLOW THE ABOVE SAFETY REQUIREMENTS:

On this _____ (day) of _____ (month) of _____ (year).
